

Dear Sir or Madam,

With this letter, I would like to express my interest in applying to run as Lymec IMS delegate.

I am currently studying an Undergraduate programme in International Science at the Turin University (Unito). I was very delighted to find the opportunity to become a Lymec IMS delegate. I have decided to apply for this election because I am sure it would strongly enrich my future studies and help me in my prospective career. Moreover I consider that as a great opportunity to get in touch with European Liberal Youth. Last but not least, I am very curious about the different approaches to the liberalism in the other EU-member states.

I have chosen to apply for this election, because I strongly believe in liberal, liberist and libertarian values. Very important for me is also the possibility to collaborate with my peers in Europe to strengthen the liberal component within our states.

I would very much like to spend my time as a Lymec IMS delegate. This would give me a chance to deepen my European and Liberal knowledge in the inspiring, creative, and cosmopolite environment of the most important Liberal Youth organization in Europe . Furthermore I could improve my English and increase my International Relations skills. Moreover, I am confident that my experience as a Lymec delegate would be extremely exciting, fun, and valuable for both my study and my overall general development.

Thank you for considering my request. I look forward to your positive response.

Yours faithfully,  
Davide Maramotti
