

SILVIA FERNANDEZ

Dear Individual Members,

I am thrilled to announce my candidacy for the IMS Delegation 2025. Having had the honour of serving in this role during the recent Warsaw Congress, I am eager to continue contributing to the impactful work of the IMS and to further our collective goals at the upcoming LYMEC Congress in Zagreb.

During the 2024 Congress in Warsaw, I had the privilege of representing the IMS during a successful event, where our resolution on housing passed with a significant majority. This resolution was the result of the diligent efforts of the Cost of Living Working Group, which I enjoyed co-chairing. It also reflects the combined dedication of our members in advocating for the needs and perspectives of young people across Europe.

As an active member of LYMEC for several years, I have gained a deep understanding of the organisation's dynamics and the intricacies of effective lobbying. My extensive involvement in youth politics has equipped me with the skills necessary to convey our message and garner strong support.

The IMS plays a crucial role within LYMEC by ensuring that the voices of all our members are heard and represented. I am passionate about continuing to advocate our cause and working toward an even more successful congress in Zagreb.

Please feel free to ask me anything. I look forward to further discussions with all of you, and I hope you will consider me as one of the new delegates. Thank you.

Kind regards,
