

Letter of Nomination

To the Congress and Member Organisations of LYMEC,

It is my great pleasure, on behalf of Venstres Ungdom (VU), to formally nominate Mikael Freitag as a candidate for the LYMEC Bureau at the upcoming Spring Congress 2026.

Mikael has been an active and committed member of LYMEC for more than five years, representing VU with professionalism, integrity and political clarity. Throughout this time, he has demonstrated not only a strong understanding of liberal values, but also an ability to translate those values into concrete political initiatives and strategic action.

In Venstres Ungdom, Mikael serves as a member of the Executive Committee and Chair of the International Committee. In these roles, he has strengthened our international engagement, built sustainable partnerships across Europe, and ensured that our participation in LYMEC is both politically meaningful and strategically grounded.

Beyond his organisational work, Mikael brings substantial professional experience in political communication, campaign management and organisational leadership. He understands how political ideas move from debate to implementation, and how coordination, follow-up and clear communication are essential to creating real impact. These are qualities that are highly valuable for the collective leadership of the LYMEC Bureau.

What distinguishes Mikael is not only competence, but responsibility. He approaches political work with seriousness and long-term thinking, always focused on strengthening the organisations he serves and the liberal movement as a whole.

As LYMEC approaches its 50th anniversary, we believe it needs leaders who combine strategic insight with organisational understanding and political maturity. We are confident that Mikael will contribute constructively to the Bureau, strengthen cooperation across member organisations, and help ensure that LYMEC continues to be a relevant and effective voice for liberal youth in Europe. Venstres Ungdom gives Mikael Freitag its full and unconditional support.

Yours sincerely,

Jens Paaske
President
Venstres Ungdom
