

Nomination Letter for Ilija Jerković – Treasurer

Beograd, March 16, 2026

Dear LYMEC,

On behalf of the Youth Movement of Free Citizens (PSG Mladi), a full member organisation of LYMEC, we nominate Ilija Jerković for LYMEC Treasurer at the Electoral Spring Congress 2026 in Vienna.

Ilija was first a member of our delegation at the LYMEC Congress in 2023 and ever since led the international engagement of PSG Mladi, ensuring good cooperation and representation of the party in the European youth community.

Ilija brings 10+ years of volunteering for Europe-focused activities for young people and fundraising in civil society. He excels in managing budgets for events, ensuring financial transparency, and creating resolutions with a European lens on key topics ideal for Treasurer duties.

Kind regards,

Vladimir Žagrić
International Secretary
