NOMINATION LETTER FOR DIMITRA PAPADOPOULOU

ON BEHALF OF JUNGE LIBERALE E.V.

Dear Young Liberals,

It is with great joy that we can share with you the nomination of Dimitra Papadopoulou as candidate for the LYMEC Bureau on behalf of Junge Liberale (JuLis), as confirmed by our federal board on 01 March 2026. We are proud to say that with Dimitra, JuLis nominated not only an experienced and more than qualified candidate, but a member with true European and liberal convictions, an experienced member of the LYMEC Bureau and a true communications professional.

Dimitra has been an active member of JuLis since 2017, and her track-record in the international work of JuLis and in the liberal family speaks for itself. After several years on the International Committee, she has now been a member of the LYMEC Bureau for two years. In her capacity on the LYMEC Bureau, Dimitra has significantly revolutionised LYMEC's communication and social media work and is now looking to build on her strong track record.

Prior to being International Officer of JuLis, I had worked extensively with her in different capacities. During this time, I have not only grown to appreciate her professional excellence, academic rigour and strategic assessments, but most of all her positive and fierce attitude. Dimitra's communication and networking skills are moreover a unique and highly valued strategic asset for LYMEC. In her position, Dimitra played an important connecting role as a Bureau member and demonstrated excellence beyond her assigned work portfolio. As JuLis, we know that she will continue to use these skills to further improve the work of LYMEC.

As you know: As JuLis, we demand high standards - from LYMEC, but also from ourselves. Dimitra's nomination is no exception in this regard, but rather to be seen as an additional backing. We continuously want to make LYMEC even better than it is. And with Dimitra as an experienced member of the LYMEC Bureau, we know that we can provide an excellent addition to the continued success of LYMEC and political liberalism in Europe.

It is therefore that we proudly ask for your support for Dimitra Papadopoulou as Member of the LYMEC Bureau.
