

Proposal for Membership Fees 2016

The Membership Fees of LYMEC have not been adjusted since the Executive Committee in Brussels, Belgium in 2008. There is, in my opinion, still no need to make any changes at the moment, and therefore it is proposed to keep the Membership Fees at the current level.

The current financial situation does not suggest an adjustment is needed. There is also no purpose in raising the fees just for the sake of making changes. I suggest the new bureau that will be elected at the spring congress 2016 go over the finances and, if they see a need for it, propose changes to the next autumn congress.

Invoices for the membership fees 2016 will be sent to the Member Organisations no later than 1st February 2016. Membership fees for 2016 must be paid before the closing of the next LYMEC Congress (May 2016).

The Bureau however advises Member Organisations to pay their fee before April 1st 2016 in order to avoid problems shortly before the deadline.

Do not hesitate to contact the LYMEC secretariat, should there be any questions.
