Nomination of Marijn de Pagter for LYMEC Treasurer

Brussels, 31 March 2016

Dear liberal friends,

It is our great pleasure to inform you about our decision to nominate Marijn de Pagter for the position of Treasurer in the 2016-2018 LYMEC Bureau.

We've known Marijn for over three years. Since the moment he became international officer of JOVD in 2012, he has worked to improve the bilateral relations between JOVD and Jong VLD. He has done so with great enthusiasm and energy.

Even though Marijn has been mostly active in our Dutch sister organisation JOVD and will be nominated by JOVD as well, he has also been very much involved in Jong VLD. He has attended many of our events and has been a member of Jong VLD since 2015. Therefore, we wish to formally support him by nominating him as well.

We are convinced that Marijn will prove to be a great asset to the bureau of LYMEC and are counting on your support. We look very much forward to working with Marijn and the rest of the LYMEC Bureau after the elections.

Best regards,

Maurits vande Reyde
President of Young Flemish Liberals (Jong VLD)
