

Nomination of Lena Höglund for LYMEC Bureau

Helsinki, March 31, 2016

To the Congress of LYMEC, gathered in Vienna, April 29 – May 1, 2016

Dear Liberal Friends,

It is with great pleasure that we announce our nomination of Lena Höglund for the LYMEC Bureau on behalf of Swedish Youth of Finland (Svensk Ungdom, SU).

Lena has been an active and dedicated member of SU since 2008, when she joined our International Committee and attended her first international youth event as an SU representative. Since then, Lena has been engaged on all levels of our organization - from the local to the regional, national and international level. Lena has e.g. contributed to our political agenda since 2008 and has been a part of creating EU and national election campaigns since 2009. She has solid experience in politics, from serving as International Officer of SU, to working as Parliamentary Assistant in the Parliament of Finland and as Political Secretary in the Centre Group (centre-liberal group) of the Nordic Council. She was also a candidate in the last municipal elections in 2012, earning positions of trust in municipal committees and regional party organs. We're proud to see Lena bring in professional skills into her activities in SU and proud to see her working within political cooperation today.

During her many active years in SU, Lena has never seized to impress and inspire, by demonstrating exceptional skills in political understanding and negotiations, ambition and dedication. Her experience of LYMEC is vast, having taken part in a number of Congresses and two LYMEC Delegations to the ALDE Congress. Lena has represented SU in several trainings and has been an inspiring trainer at our events. She is also familiar with numerous friends of the Member Organizations in the liberal family, having taken part in a number of Congresses, election campaigns, regional and international events. Lena has been a true support to her peers and we know she'll stand by her fellow liberals in LYMEC as well. A good example of that is her visit to Denmark during the last elections and her successful lobby for election campaign financing for the youth organisations of the Centre Group in the Nordic Council.

Lena has broad and diverse experience, alongside visionary ideas. She is trustworthy, professional, a resourceful and driven team player and a true liberal. We are convinced she makes a valuable addition to the LYMEC Bureau. She is well qualified, not only to maintain the status quo of the organization, but also to push it to strive even further. She has our full support and thus, we are most pleased to hereby announce her nomination.

We hope that we can count on your support. Would you have any questions or wish to have any more information about Lena or the nomination, please do not hesitate to contact us or Lena.

Sincerely yours,
