What is the financial situation of your organisation?

our main mission is to give a chance to get acquainted with politics and international affairs for youth with fewer opportunities. We struggle to get institutional development grants but did not succeed yet.

it works. Exchange rate got very high, transferring money to/from EU has rather high banking fee, but the system is stable.

We want to keep being members of liberal family. We are in tough financial situation but we will do everything possible to cope with financial challenges.
