
Letter to LYMEC's Congress from Liberal Youth of Montenegro

Dear Congress,

I write to you on behalf of the Liberal Youth of Montenegro in order to apply for a reduced membership fee for our organisation in 2018, as well as to ask you to consider erasing an old debt of ours.

Liberal Youth of Montenegro acts independently and voluntarily from Liberal Party of Montenegro. As so, Liberal Youth of Montenegro are encouraged to create projects that will emphasize the importance of liberal values. In Montenegro, there are few organisations or funds who finance Liberal Youth of Montenegro. Therefore, all our funds and resources are received from mother party, or from international funds. We have official office that is located next to the office of Liberal Party of Montenegro where young and future pro-liberal politicians are gathering voluntarily to work on projects that will promote core values of liberalism in Montenegro. Offices are part of the mother's party programme to expand base of young and pro-liberal politicians. As there are no membership fee, we do not have any full- or part-time employees, but all positions within Liberal Youth of Montenegro are voluntarily and based on individual contributions.

We would therefore kindly ask you to consider reducing the 2018 membership fee for Liberal Youth of Montenegro to 115 euros (currently 175 euros – or 209.30 euros if we are accepted as full members). This is a sum that we are able to pay and a reduction would mean that we will not tend to create any debt.

Furthermore, we would kindly ask you to write off the debt we have for an unpaid congress participation fee from the congress in Sofia (120 euros). Our representative was unable to attend the congress due to obligations toward Liberal Party of Montenegro's Congress and specific situation we have been at the moment. It was crucial for youth to be in organisational board and to help with all preparation for the Congress. I hope you will understand it.

Sincerely and yours in liberalism,

Ammar Borančić
President
Liberal Youth of Montenegro
