Concerns: Application of Liberal Youth of Montenegro for LYMEC full membership

Dear President,

Dear members of the Bureau,

Dear liberal friends,

It is our utmost pleasure to renew our initiative for a full membership of Liberal Youth of Montenegro in the family of European Youth Liberals LYMEC.

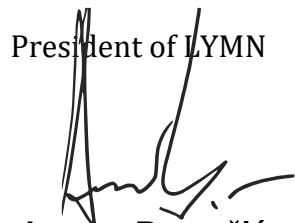

Our long-term collaboration and long history of good relations with LYMEC, additionally commit us for its continuation, especially because Liberal Youth of Montenegro is the only organization of young liberals in our country.

Membership in LYMEC is also important for us due to the fact that Montenegro is now member of NATO Alliance and the first next member of the European union. In maintaining such a direction liberals, but also young people in general, are necessary a driving force.

We believe that the Congress in Berlin will be a chance to join forces in continuing fighting for liberal values and improvement of liberalism in all countries in Europe.

On behalf of Youth Liberals of Montenegro,

President of LYMN

Ammar Borančić
