Decentralized banking system

Please summarise why you would like to apply for debt reduction.

Due to difficult financial and political situation of LDP in last few years, we have difficulties to pay fee for LYMEC and we are doing our best to ensure necessary means. Youth of LDP will work to arrange payment of membership fee for 2018 as soon as possible, but it will be difficult for us to find the rest of the debt which amounts 1300 euros. Reduction of such debt will be a big support from your side. Youth of LDP, as youth organization of the only liberal party in Serbia, is doing its best to empower liberal idea and values in our country, and support from LYMEC and opportunities to interact with other liberal organizations and individuals from Europe is highly beneficial for our work here. Thus our wish to be in the future part of LYMEC wasn't ever and isn't question and we will do our best to fulfill
