

LYMEC Autumn Congress, October 12 - 14, 2018 in Vilnius

Proposal 001 "Motion to amend the LYMEC Statutes"

Amendments

No.	Type of change	Original text	Amendment
Seite 1 - Zeile 16 bis 17 - Author: JNC			
1	Replace Missing letter.	(15) its membership in LYMEC must be confirmed by an absolute majority of those present and voting / (16) at the next Congress. The new member organisation must comply with the criteria as set out in / (17) Article 10 of these Statutes, except for the third point in Article 10 (3). All the necessary / (18) requirements must be transmitted in writing to the Bureau at least 8 weeks prior to the Congress.	The new member organisation must comply with the criteria as set out in Article 10 of these Statutes, except for the third point in Article 10 (3).

LYMEC Autumn Congress, October 12 - 14, 2018 in Vilnius

Proposal 001 "LYMEC ELECTORAL MANIFESTO - THE FUTURE IS EUROPE"

Amendments

No.	Type of change	Original text	Amendment
Seite 1 - Zeile 28 bis 29 - Author: Junge Liberale			
2	Replace "- a call for open Europe"	(27) upcoming mandate of the European Parliament: / (28) 1. A working framework on legal migration and asylum, and tackling the refugee crisis – a / (29) call for open Europe / (30) The Commission proposed to revise the Common European Asylum System in 2016 when it	"- a call for liberal Europe"
Seite 1 - Zeile 46 bis 53 - Author: Svensk Ungdom and Ida-Maria Skytte			
3	Replace	(45) LYMEC calls for: / (46) a harmonised immigration and refugee policy with a more open path to asylum. The EU / (47) should strengthen the role of European Asylum Support Office (EASO), making it better / (48) prepared to respond to common migration challenges. EASO's enhanced role should / (49) include a responsibility for examining asylum applications. EASO should have the / (50) responsibility to coordinate national agencies, increase their efficiency, and harmonise / (51) their asylum procedures, applying existing European standards, and safeguarding the / (52) rights of refugees. In an area with common borders and freedom of movement, there is / (53) no need for twenty-seven different asylum agency practices and procedures. / (54) the EU eliminate the Dublin System, which establishes a country responsible for asylum	a harmonised immigration and refugee policy with a more open path to asylum. The EU should strengthen the role of European Asylum Support Office (EASO), making it better prepared to respond to common migration challenges. EASO's enhanced role should include a responsibility for examining asylum applications. EASO should have the responsibility to coordinate national agencies, increase their efficiency, and harmonise their asylum procedures, applying existing European standards, and safeguarding the rights of refugees and undocumented people. In an area with common borders and freedom of movement, there is no need for twenty-seven different asylum agency practices and procedures.
