

LYMEC Spring Congress, April 05.-07., 2019 in Brussels

Proposal 001 "Code of Conduct"

Amendments

No.	Type of change	Original text	Amendment
Seite 38 - Zeile 5 bis 8 - Author: YMRF			
1	Delete Horizontal amendment	(4) LYMEC, European Liberal Youth, is a pan-European organisation dedicated to the promotion and / (5) strengthening of liberal and radical values in Europe. LYMEC is composed of liberal and radical / (6) political youth and student organisations based in European countries, as well as of young / (7) European individuals subscribing to the principles and values of Liberalism and Radicalism. The / (8) aim of LYMEC is to strengthen cooperation among the community of young liberals and radicals / (9) and channel our combined efforts towards building a better and more liberal political, social and	"and radical", "and Radicalism", "and radicals"
Seite 38 - Zeile 31 - Author: Svensk Ungdom			
2	Delete Delete "gender including"	(30) Ethics and values. / (31) Gender including sex, sexual orientation, gender identity or gender expression / (32) Language	
Seite 39 - Zeile 62 - Author: YMRF			
3	Insert after after the words "that concerns you or"	(61) We all have an obligation to uphold the ethical standards of LYMEC. If you observe behaviour / (62) that concerns you, or that may represent a violation of this Code of Conduct, please raise the / (63) issue promptly, provided you feel comfortable doing so. That will allow LYMEC an opportunity to	other participants

LYMEC Spring Congress, April 05.-07., 2019 in Brussels

Proposal 101 "Democracy at the Doorstep"

Amendments

No.	Type of change	Original text	Amendment
Seite 1 - Zeile 36 - Author: LHG (Esther Steverding)			
4	Insert in		- calls for the use of proportional representation.
Seite 3 - Zeile 9 - Author: LYMEC Bureau - Antoaneta Asenova			
5	Replace On line 9, after the words "and the rise of" - replace the word "extremism" with "extreme forces". Makes the text clearer, "extremism" has a bi-fold meaning.	(8) disaffection with politics, particularly but by no means exclusively among young people, is / (9) one of the driving forces behind falling turnout and the rise of extremism in many parts of / (10) the Western world, while politicians are increasingly viewed as distant and out of touch	and the rise of extreme forces in many parts of the Western world
Paragraph 1 - Seite 3 - Zeile 10 - Author: Bálint Gyévai (IMS)			
6	Replace Europe to replace Western world	(9) one of the driving forces behind falling turnout and the rise of extremism in many parts of / (10) the Western world, while politicians are increasingly viewed as distant and out of touch / (11) with voters;	Europe
Seite 3 - Zeile 10 - Author: YMRF			
7	Replace	(9) one of the driving forces behind falling turnout and the rise of extremism in many parts of / (10) the Western world, while politicians are increasingly viewed as distant and out of touch / (11) with voters;	the words "the Western world" with "the EU"

No.	Type of change	Original text	Amendment
Seite 3 - Zeile 19 - Author: YMRF			
8	Replace	(18) from the United States; while ostensibly done to prevent voter fraud, in practice these / (19) measures are used to reduce turnout among certain demographic segments; and / (20) a true European political sphere is a conditio sine qua non for the rise of a European	the word "are" with "can be"
Seite 3 - Zeile 31 - Author: JUNOS - Junge Liberale NEOS			
9	Insert after add this to paragraph (after "thresholds")	(30) meaningful connection between voters and their representatives, while avoiding / (31) excessively small constituencies that lead to very high effective electoral thresholds; / (32) rejects any attempt to reduce voter turnout among certain demographic segments under	except in cases this is done to protect language minorities

LYMEC Spring Congress, April 05.-07., 2019 in Brussels

Proposal 102 "Defending Europe: a liberal common-sense approach to joint security"

Amendments

No.	Type of change	Original text	Amendment
Seite 5 - Zeile 3 - Author: YMRF			
10	Insert in after the word "noting"	(2) joint security / (3) Noting that: / (4) The member states of the European Union have a combined defence spending on par	and considering
Seite 5 - Zeile 14 - Author: YMRF			
11	Insert after new paragraph	(13) Several European Union NATO members currently do not meet the agreed upon NATO / (14) norm of spending at least 2% of GDP on defence. / (15) The overall interests of European Union member states regarding defence and security	the differing national defence strategies weaken EU's role on the global stage and lead to unproductive double spending on defence equipment and infrastructure.

No.	Type of change	Original text	Amendment
Paragraph 1 - Seite 5 bis 6 - Zeile 23 bis 43 - Author: Bálint Gyévai (IMS)			
12	Delete /	<p>(22) Netherlands, and the Kingdom of Denmark. / (23) European Union member states should not and cannot continue to depend primarily on / (24) the United States of America for overall security in Europe and the wider region, / (25) especially given the long-term shift towards the Pacific, as well as statements potentially / (26) indicating a more self-centred or even isolationist approach. / (27) Threats continue to evolve which require new approaches and capabilities, including but / (28) not limited to cyber warfare, the development of autonomous weapons systems, / (29) asymmetrical warfare, ever increasing activity of non-state actors, and terrorism. / (30) It is in the interest of individual member states and the European community as a whole / (31) that defence funding is spent in the most effective way possible, which can be achieved / (32) through close cooperation, for example by elimination inefficient redundancies in / (33) procurement. / (34) European cooperation should not lead to the development of a European / (35) military-industrial complex which could trap European cooperation into pork barrelling, / (36) and an overall lack of competition. / (37) One of the most important decisions a democratic state makes is that of peace and war, / (38) as it is a decision which will inevitably put its citizens serving in the military in harm's way / (39) and may even pose risks to its citizenry as a whole. / (40) As such, the decision of whether or not to deploy troops could only ever be delegated to a / (41) European minister of defence and the European Parliament if a democratic fully / (42) integrated political union were to exist in which the aforementioned misalignments on the / (43) grounds of treaty, charter, or historical considerations were resolved. / (44) Considering that:</p>	/
