Work Experience

Owner (Oktober 2018 - ongoing)

Porte Consultancy

- LW International: For former D66 party leader and Member of the European Parliament Lousewies van der Laan I did a number of assignments over the period of 9 months. I organised work visits, assisted her during international congresses, wrote op-eds and did some research assignments. The main topics were IT-issues and cybersecurity. Our projects came to an end when she got a new job at Eurojust.
- De Natris Consult: In a research assignment from the UN's Internet Governance Forum, I assisted cybersecurity expert Wout de Natris with a research into the implementation of internet standards. This project was among others supported by the Dutch Ministry of Economic Affairs. The report has come out March 2020.
