

Bureau Member Report

Deimanté Rimkute

Dear liberal friends,

I am submitting my last report for the 2018-2020 mandate. During my mandate I mostly worked with Libertas blog, organised events, represented our interest European Youth Forum events. In the report I would like to highlight some of the key things I have been supporting.

Regional responsibilities (Central Eastern Europe, Eastern Europe and Baltics);

I actively communicated with organizations, consulted them on various issues like partnerships with other organizations and international funds, policy-related topics, LYMEC's full membership accession procedures, membership reduction. I had at least 10 meetings in person, during the last LYMEC Congress in Vilnius my region signed a closer cooperation agreement.

Libertas

I gathered the Libertas Editorial Team, which now consists of 6 people. We have managed to write policy-oriented articles on EU affairs, organised calls to discuss our working model. A seminar on writing was provided for the Libertas Editorial Team members in our online learning tool as well. I also have edited articles for Libertas. Prepared a new blog's strategy, that included key performance indicators. As a Bureau member I wrote a publication on AI for European Liberal Forum.

Events

I helped to organise book launches that took place in London and Brussels. My responsibilities included drafting a program, contacting speakers for the panel discussions.

European Youth Forum (EJF)

I participated in all the events of EJF, where I represented the interests of our member organisations, I submitted and defended proposals for resolutions.
