NOMINATION LETTER

Dear LYMEC Bureau and Member Organisations,

We, Liberal Democratic League of Ukraine (LDLU), unanimously decided to enter the race during the Electoral Congress of the European Liberal Youth (LYMEC) held on 3-4 April 2020 in Skopje, North Macedonia.

On behalf of the Liberal Democratic League of Ukraine, I officially nominate Ms. Anna Komziuk for participation in the elections for the position of the LYMEC representative in the Bureau of the International Federation of Liberal Youth (IFLRY).

Anna Komziuk currently holds the position of LDLU European officer and previously served as the acting Human Resources officer. For the last 4 years, Anna has shown great potential at both international and European liberal levels. She has gained vast experience and inspiration being engaged in various LYMEC and IFLRY activities. Taking into account her strong communication skills, understanding of human resources essence and deep commitment to liberal values, we are pleased to nominate Anna to contribute to our European liberal family of LYMEC through the work at the global level of IFLRY. During the time spent within our organisation, she has developed a professional approach to mediation and arbitration matters, as well as demonstrated capacity in the area of international negotiations and management. Furthermore, Anna is a skilled lawyer and legal scholar, dealing with European public administration and human rights issues.

We are convinced that Anna Komziuk would play a significant role within the new LYMEC Bureau as a professional and a person responsible for better communication and cooperation between the two strongest youth liberal associations at the global level – the European Liberal Youth and the International Federation of Liberal Youth.

We are looking forward to the start of the electoral campaign and expect fair, transparent and democratic elections to the LYMEC governing bodies.

Yours faithfully,

Arthur Kharytonov
President
