Dear Liberal Friends, Dear Congress Delegates,

As a Full Member of LYMEC, Jeunes Radicaux is proud to nominate Benjamin Fievet as candidate to become the LYMEC Representative to IFLRY.

Ben has been active in both organisations and we are convinced that his thorough knowledge of LYMEC, his insight into the workings of IFLRY and his ability to understand different points of view and build consensus, combined with his diplomatic approach, will be a great asset for all of our MOs and IMs.

We believe that the LYMEC representative to IFLRY needs to fully understand how our organisation operates as well as to bring forward the joint views of our member organisations to the board of IFLRY.

#BenBuildsBridges and that is why he will be the most constructive representative to make both LYMEC and IFLRY stronger.

Liberal regards,

Henry Dupas

President of Jeunes Radicaux
