Linkedin: [tiago-dias-45444016b](#)

Born and raised in a local town in Porto, I went to high school to study Liberal Arts. Nonetheless, although the desire for playing an active role in society stayed, I developed a passion for Science. I plan to keep the two close.

---

### Civics Events

---

#### 2018 Summer CEmp in Portugal

AUGUST 2018, MARVÃO

The Summer CEmp was a pioneering initiative by the European Commission Representation in Portugal where 50 young people from all political and civic backgrounds joined for a summer academy to discuss European topics informally.

#### 2014 Portuguese Youth Parliament / Local and National Representative

NOVEMBER 2013 - MAY 2014, PORTO, LISBON

In the school year of 2013/2014, I participated in the "Youth Parliament", organized by the Portuguese National Assembly. I was elected as deputy to the national assembly, which took place on the 26th of may. We discussed ageing and demographics.

---

### Education

---

#### Environmental Science and Technologies Bachelor / EQF level 6

SEPTEMBER 2016 - SEPTEMBER 2019, PORTO

Several courses I took during my Secondary school were: History, English, Spanish, Political Science and Psychology. Average 19 out of 20.

---

## Policy engagement and Writing

---

### European Liberal Youth / IMS Delegate

FEBRUARY 2019 - FEBRUARY 2020

In 2019 I was Delegate of the Individual Members's Section, a statutory body of the European Liberal Youth (LYMEC), the youth wing of the ALDE party. The tasks and duties of the IMS delegates are to represent the Individual Members at the statutory meetings of LYMEC, to coordinate the IMS input at these meetings: resolutions, motions and amendments, and to liaise with the Steering Committee.

### Jornal Universitário do Porto / Journalist

Feb 1, 2018 - Jul 1, 2019

I developed an extracurricular during my college years as a reporter on JUP, Jornal Universitário do Porto, where I wrote for Science and Health.

### Political affiliations

ALDE Party - Individual Member;

LYMEC - Individual Member;

IL Iniciativa Liberal - Founding Member;

---

## Languages

---

Portuguese - Native;

English (C1) Cambridge Advanced Certificate in English .

Spanish (C1) - fluent as validated by working experience.

French (B1) - Formal education.

Italian (A1) - capable of understanding.

---
