

**Nomination Letter for Ellinor Juth to the LYMEC delegation to
ALDE Party Congress**

Dear Liberal friends,

Swedish Youth of Finland has the pleasure to nominate Ellinor Juth for LYMEC:s delegation at the ALDE Party Congress held in December 2020 in Stockholm, Sweden.

Ellinor Juth has a long background in Swedish Youth of Finland and she has shown strong dedication towards liberal youth in Finland, Europe and the world.

Juth has participated actively in both national and international politics. Therefore, her experience of international congresses would be of value to the delegation. Other merits are Juth's vast knowledge about politics and her courage to stand up for her values – qualities needed at the ALDE Party Congress.

Swedish Youth of Finland sees Ellinor Juth as a great team player and we know that she would do a fantastic job on behalf of LYMEC if she gets chosen to be part of the delegation.

We, at Swedish Youth of Finland, strongly support Ellinor Juth for the ALDE Party Congress in December 2020.
